OFFICE OF PETITIONS

In re Application of Leonard Sadjadi
Application No. 09/736,354
Filed: December 14, 2000
Attorney Docket No. LSUI-27,721US

Decision Granting
Petition

This is a decision in response to a paper filed September 25, 2006. The paper will be treated as a petition under 37 CFR 1.181 for review of the Office decision mailed March 31, 2006.

The petition is **dismissed**.

The Office previously determined James Bradley no longer has power of attorney.

The instant paper seeks to add associate attorneys and to change the address of record.

Petitioner should note Associate Power of Attorney practice was abolished effective June 25, 2004, by the elimination of 37 CFR 1.34(b). See Revision of Power of Attorney and Assignment Practice, 69 Fed. Reg. 29865 (May 26, 2004); 1283 Off. Gaz. 148 (Jun. 22, 2004).

Bradley cannot unilaterally change the address of record without a power of attorney. Is Bradley asserting Bradley has a power of attorney? If Bradley wishes for the Office to reconsider Bradley's arguments concerning power of attorney issues, a formal petition should be filed.

As a courtesy, the Office notes the application is scheduled to issue as Patent No. 7,123,156 on October 17, 2006.

Telephone inquiries regarding this communication should be directed to Petitions Attorney Steven Brantley at (571) 272-3203.
